Dear Mr. Singrachar,

mil 88-18

I am sending herewith the file relating to the award of local distinctions to Officers and men of the Mysore - Imperial Service Troops who have gained distinctions from the British Government in the field. List A in the file shows the names of men who have been awarded British decorations and have not yet been awarded local distinctions. As intimation has been received that Imperial Service - Lancers may return from the Field in January next, an - early decision appears necessary in regard to the award of local distinctions.

If you will kindly ascertain the views of His Highness the Extraordinary Member in the matter and intimate the probable number of medals of each class that will be required for award to the men in this list, I shall take necessary further action to get the medals ready, in advance. Medals are in stock for all those to whom -- awards have been already made.

Yours sincerely,

My dear Sir

I am directed to return the File No. 638 dated the 13th December 1919, sent with your Submission Note of the same date. His Highness approves of the award of medals to the men included in the list submitted by you, but he does not think it necessary to create any more classes of medals, and His Highness the Yuvaraja too is of the same opinion. The four classes now existing will be quite sufficient for all practical purposes. The men to whom it was proposed to award the medals of the fifth and sixth classes may all be given medals of the fourth class.

The draft order deals with the question of award of medals. No order has been passed on the question of award of local distinctions such as Hon'y rank of Capt. or Lieut. as suggested in para 12 of the notes supra. As the award of medals in a particular order has been ordered by the H. the Govt. means it is to be presumed that the other question may be dropped for the present. This point is accordingly submitted for consideration.
